Society Reg. No. – 182/2006-2007

Contact No. 06546-223529, 09431207935,

From the Secretary's Desk

Dear All,

We are very thankful to our community, volunteers and management, who always involved in the grass root level in the development of rural and urban areas of Hazaribagh District. The volunteers of organization visited the remote villages to aware the poor people on their rights and duties.

We raise fund through local support, membership fund. Support & Training was from the trainees. We always insist that local people participation must be assured and their options and willingness must be regarded and implemented on genuine ground. Our official members and grass root level volunteers are working very hard to give a new shape of the project area on all socio-economic and other social parameters.

We thank to community's local officials, donors and our philanthropic work force who are supporting us for a new change in every walk of life.

Strategies were also planned towards capacity building of the organization through restructuring and developing human potential and also of the target groups. At this point of time **Prerna Rural Development Society** has put in more effort to catch up with the increasing responsibilities and emerging developmental needs of the time to tune its services with greater relevance. No development can be achieved until need identification and planning is done with utmost importance on people's participation as we believe that the desired development will not be happened unless the people for whom the development is being thought off participated in the development process.

In the ensuing financial year we are all dedicated, devoted and committed towards the achievement of our goal. We are all prepared to put the society on the vehicle of development the proper development is the destination of this vehicle.

Finally I request all the employees and stakeholders to cooperate as ever before.

Thanking You,

Sahdeo Mahto Secretary
Prerna Rural Development Society

ANNUAL REPORT – 2016-17

LEGAL STATUS :- It is registered under societies registration act 21, 1860

REGISTRATION NO. – 182/2006-07 (Jharkhand)

Main Objectives

Socio- economic development, Health, education of poor people and handicapped, Education of rural women and child development is the main concern of our organization. Water & Sanitation, cultural development of poor and helpless villagers, Child Labour eradication and induction of income generation programme is the main motive of our organization.

Management

We have seven executive members in our board. All members are acting and taking part in our organization to take decision of any type of activities resolutions. All members are involved in this committee by cook and hook.

Action and achievement

1.Women Empowerment

Our organization started women empowerment programme for issues like Health , education, child, adolescent education etc. maximum no. of women are illiterate so They don't know safe Pregnancy, Routine Immunization, women right. So through awareness campaign we focused on the above issues. They were informed of their legal right and government schemes for their prosperity. Almost in every SHG formed in Hazaribagh region by us Women Empowerment Awareness programme is a regular affair.

(Agarbatti Training to Women)

2. Farmer Training

Farmer is important part of our country, so time to time we organized training programmes for farmers, better use of technology and how to get profit and save cost on production is the reason behind this activity. During the training basically we focused on

- I. newly invented crop,
- II. Technology
- III. Proper steps of farming
- IV. Cash crop
- V. Current information of research in agriculture
- VI. Use of fertilizer/compost
- VII. Use of Pesticide & insecticide
- VIII. Medicinal plant

We use to take assistance from Krishi Bhawan Kanke, Ranchi in this awareness generation programme. We did a lot in this regard. Beneficiaries include farmers of Hazaribagh district.

3. Food and Nutrition Awareness

“Healthy mind depends on healthy body “ so focus on these issues for better health purpose of community is the demand of hour and use of hygienic food and water for better health is the main motive behind this Awareness Programme. We use to instruct people with the assistance of experts regarding proper use of

- I. Vitamin
- II. Fat
- III. Calcium
- IV. Carbohydrate
- V. Iron

4. PMKVY (RPL Programme)

(RPL Program.)

We organized many programmes for the well being of disabled person. The main objective behind these programmes is to generate feeling among disabled that they are not alone. We bring to take the problem of disabled to the office of disabled commissioner and use to assist them as and when required. We had undertaken similar activities in almost every block of Hazaribagh district.

Youth Welfare Programme

Youth is backbone of country, so youth welfare programme organized for the betterment of youth. Goal of youth welfare programme is the healthy growth of the youth and generate the feeling of self belongingness. This programme covers the following activities.

- I. Sports
- II. Education
- III. Service
- IV. Industry

We had undertaken many such activities in different blocks of Hazaribagh district.

(Welfare Programme to Youth and Farmers)

5. Antenatal Routine Immunization

Immunization is basic part of child health for healthy growing. But rural people don't follow Routine immunization which is essential for child to prevent from different type of disease. Focus on Antenatal routine immunization for healthy life of growing child had been given because routine immunization prevent child from different disease i.e. **Polio, diphtheria, whopping cough, measles, pox and any other disease.**

6. Eye check up Camp

Inauguration Eye Check-up & Cataract Operation camp by Civil Surgeon, Hazaribag

Eye check up Camp is integral part of health campaign for awareness on eye related issues. In this camp focus on different type of disease related to eye is taken care of by expert ophthalmologists. Patients are provided the facilities in case of cataract and other issues. Cataract operation had been undertaken in the financial year 2013-14. Quite a large number of beneficiaries got benefitted. Spectacles were provided to them besides medicines.

7. Anti Malaria Campaign

We made people aware of malaria in malaria awareness campaign. Community people were not aware of these issues because they don't know why malaria spread.

Through the campaign community people are aware of malaria and anti malaria campaign were organized with a sole aim to protect the people from malaria. These camps were organized in different region of Hazaribagh district.

8. Child Labour Welfare Programme

Child labour is a major issue for healthy nation, large no. of children are being used as child labour in different sector i.e. industry, Hotel, servant, transportation, because they easily available and don't demand more payment, so impact of these issues is critical for nation. Organization had focused on child labour welfare programme. We identified child labour in different sector. With the consultation of guardians child labourers were admitted to the different schools in our region.

9. Training to Mining Sector Worker

(Awareness Programme on Mining sector Workers)

10. Awareness on Women Related Issues

We organized the awareness campaign on women related issues for women harassed by the men and used in prostitution by anti social element. We made the community aware regarding discrimination in male and female. In the awareness campaign we changed the mind setup of people. These campaigns had been organized Katkamsandi, Kerdari, Barkagaon and Hazaribagh rural areas.

(Training to Adolescent Girls)

11. Vocational Training Programme

Organization had conducted some vocational training programmes on different subjects for providing technical support for livelihood purpose. Through the training we developed the skill of child, women, men etc. Following were the area in which training had been imparted---

I. Sewing

II. Painting

- III. Computer
- IV. Mehendi
- V. Academic Classes
- VI. sport

The area covered for this purpose was entire Katkamsandi, Keredari, Barkagaon and Hazaribagh rural region of Hazaribagh district.

12. Seminar / Workshop / Camps

We had organized the different type of workshop during this year for impact of community and aware the community for control and use of different issues. In this seminar Doctor, PRI, Local practioner (RMP), Teacher, and other stake holders were participated. This programme had been organized in the Barkagaon block region of Hazaribagh District.

- I. HIV/AIDS
- II. Population Control
- III. Constitutional right
- IV. Child Care
